Dear SARDINIAN CULTURAL ASSOCIATION

Our upcoming Annual Shepparton Italian Festa is under preparation ...
to be held at the Shepparton Showgrounds, Saturday 4th April 2020 from midday till late.

The Festa will entertain crowds with traditional Italian food, BBQ, market stalls, fireworks
and childrens entertainment.

And, we will again be hosting a line up of some great Italian entertainment.

We would appreciate if you could circulate details of the event amongst your network.

I have attached a copy of the Event containing relevant detail/info.

Our Facebook site also contains the latest information for your attention.

Please feel free to forward this notice to family & friends.

This event is a great way for Italians to celebrate our culture and develop strong
connections with the broader Victorian community.

We invite everyone to 'be Italian for a day' ... and enjoy all things Italian!

I look forward to seeing you at our Festa, April 4th 2020

Yours sincerely,

Vince Sagoleo

President
